

IMPORTANT SAFETY RECALL NOTICE

August 25, 2009

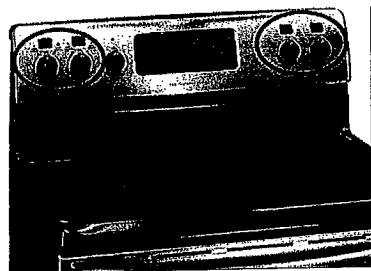

TO: Owners of certain Frigidaire, Frigidaire Gallery, and Frigidaire Professional electric ranges with smoothtop cooking surface with rotary knobs and digital displays (see list of affected models described below)

Dear Valued Customer:

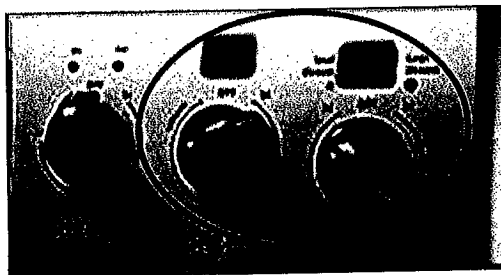

In cooperation with the U.S. Consumer Product Safety Commission, Frigidaire Company is voluntarily recalling certain Frigidaire, Frigidaire Gallery, and Frigidaire Professional electric ranges with a smoothtop cooking surface with rotary knobs and digital displays. The ranges create fire and burn risks. Depending on the model, the surface heating elements can: 1.) Turn on spontaneously without being switched on; 2.) Fail to turn off after being switched off; or 3.) Heat to different temperatures than those selected by the controls.

Affected models are described below. The model and serial number can be found by opening the range drawer at the base of the unit.
